1/2/2025

Merry Christmas and Happy New Year! We love you so much, Robel, and pray that God blessed you and your family in 2025! 2024 was a year of such big change in our family. Adding Luke (who is now 9 months old) has been such a big change and a wonderful blessing from the Lord. We hope that you will do well in school and your studying this year and that you will learn and grow in your love and pursuit of Jesus. Also, happy early birthday! We will be thinking of you on the 14th as we celebrate me (Elijah) turning 27!

Here are some updates. Jaycee and I will be moving to a new home at the end of this month. We have been waiting for it to be built for several months now and are very excited that the time is almost here to get to live there.

Luke is growing so well and is so happy! He is one of the happiest babies I have ever seen. It took him quite a while to start sleeping through the night, but finally started to do so about a month ago. He is not yet crawling, but is getting so close and

lifts his head up so high! He is also just now starting to get teeth, so it has been a little bit hard for him to eat since his mouth is hurting. But he is still always smiling at us and our little joyful guy!

It is very cold out where we live and will continue to be for the next couple of months. Is it ever cold where you are? We get about 3 months of cold and sometimes snowy weather! Luckily after a few months of that it starts to warm up and give us a beautiful Spring season.

We love you so much, Robel, and are proud of you! May God bless you and your family this year and hope you have a wonderful birthday!

Love,
Elijah, Jaycee, and Luke
